To Whom It May Concern,

I am the Senior Pastor at Hempfield Church of the Brethren, and I am writing this letter to give you my enthusiastic recommendation of Shawn Smith. In the years that he has worked for us, we could not be more pleased with what he has done. He designs creative content for our church website and also created our promotional brochure and logo.

Shawn is a brother in Christ who has high integrity and a serious commitment to any project he undertakes. His technical knowledge of web design and development and his attention to detail is amazing! Shawn has deep creative flair, yet at the same time he is very sensitive to what is appropriate for differing circumstances. He has listened carefully to us to help us carry forward the specific mission of our church.

Shawn has done wonderful things for our website at Hempfield, and he is a real joy to work with. If you have web design or other marketing needs, I believe Shawn would be an incredible asset to you! If you have any other questions, please feel free to contact me.

In Christian Love,
